NAUKUCHIATAL, NAINITAL

SPECTRUM

April ~ July 2018

Principal's Message Dear Parents

It gives me great pleasure to connect with you once again. As you will observe there have been a lot of activities in TAI since the beginning of the academic year & the colourful photographs are ample proof of this. Academics, sports & extra curricular activities are key to the overall development of a student's personality & character. At TAI we make sure that your child/ward has the opportunity to participate in all events organized by the school. Our children participated in many competitions & won prizes everywhere they went. We are extremely fortunate to be blessed by so many talented students at TAI. You will also be happy to know that TAI is completely security covered by CCTV Cameras.

As we head into the second quarter of the academic year, the INTER-House competitions begin, followed by the Periodic

-2, The Manmohan Agarwal Football Tournament (Edition 5), Half-Yearly exams & much more. The evolution & growth of the students is a continuous process at TAI.

I congratulate Miss Anushtika, Ma'am Himanshu & the entire team for the splendid effort to bring out this issue of SPECTRUM. I look forward to a great future at TAI. God bless you all!

Regards
Mark Joshua

Dear Readers

EDITORIAL

It is with immense pleasure that we bring to our readers yet another edition of the Templeton newsletter that we so fondly call Spectrum. As we sail along this academic year (2018-2019) we promise to keep you updated with many more editions of this newsletter that are going to be the perfect bridge between our readers and us.

Your faces are sure to lighten, brighten and wear those enchanting smiles as you sail through the pages and witness the events through the beautiful photographs. We sincerely hope it's not going to be any less than experiencing some live moments. Our heartfelt thanks to the Principal for all his cooperation, guidance and support without which this newsletter would not have existed.

This newsletter is an endeavor to reflect life and the buzzing activities at Templeton. Just like the most awaited monsoon showers, this newsletter is sure to drench you with a happy feel!

Happy Reading and please stay tuned for more to come soon!

Ms. Anushtika

SPIC MACAY- TEMPLETON AUDIENCE

SPELLBOUND

17th April, 2018

Templeton participates in the BIAS Cultural Fest 2018

19th April-20th April, 2018

SWACHH BHARAT ABHIYAN 27th April, 2018

the history of Indian music and the interactive session was yet another boon for the audience. The audience was awestruck by the recitals and the jugalbandi was the cherry that topped the cake. This musical extravaganza stirred emotions, brought joy and soothed the soul.

Thank you SPIC MACAY- we are waiting to be left spellbound yet many more times.

A musical performance under the Aegis of SPIC MACAY took place in Templeton Academy International, Naukuchiatal. The musical programme was presented by Mr. Abhishek Mishra ji, the very renowned tabla player and Mr. Salil Bhatt ji, the very talented veena player. Mrs. Asha Sharma, Mr. T.D. Kandpal, Mrs. Doris Shivpuri and Mr. Rishi Kapalkar graced the occasion as special guests. It was truly an enriching experience for the students as they received a briefing by Mr. Abhishek Mishra ji on

A wonderful opportunity knocked on the doors for the scholars at Templeton as they received an invitation to attend the Cultural Fest 2018 organized by Birla Institute of Applied Sciences, Bhimtal campus.

The face painting competition was held on the 19th of April followed by the wall painting and dance competitions on 20th

of April 2018. The solo song competition was a treat to the ears and kudos to the happy Templeton scholars who won awards. The results were as follows:

Miss Aditya shree and Master Kushal Jaiswal won the 1st and 2nd prize respectively in the face painting competition. They outshone the other

fifty participants who also created magic. Miss Aastha Gupta was declared the proud winner of the 2nd position in the solo dance competition.

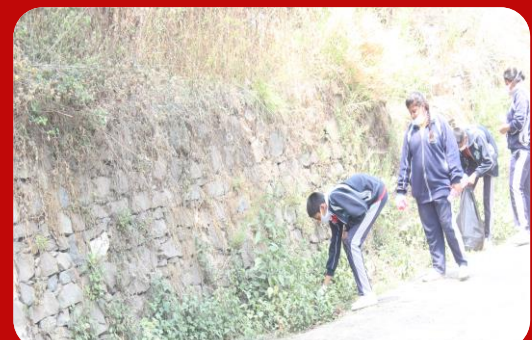

Well performed Templeton !We are proud of your achievement!

"A clean mind resides in a clean body and so we must join hands in the drive to make India a clean country."

Clean India campaign was held on 27th April 2018 for grade IX of Templeton Academy International. The Place opted to hold the drive was the lotus lake in Naukuchiatal. Scholars, as well as a few educators participated enthusiastically to commence and complete the mission. The objective of the SWACHH BHARAT ABHIYAN was to bring awareness of eliminating of open defecation and other practices that pollute our environment.

Nature has its secrets treasured. The pleasure of witnessing these secrets is just unexplainable; and so feel some of the fortunate scholars at Templeton who had this marvellous opportunity to participate in the NATIONAL BIRD FESTIVAL on the 28th of April 2018 at Himalayan Botanical Garden, Nainital. Scholars of standard IX to XII were a witness to this heavenly experience of being so close to

nature. It was yet another feather in the cap when Miss Adity Shree of class X and Master Kushal Jaiswal of class IX bagged the second position in the Inter school quiz. Participating in the 'On the spot painting' was also an outlet for our creative scholars whose work received applaud and appreciation.

Interacting with world renowned photographers, who graced the occasion was indeed a golden opportunity and so was attending the workshops by these famous personalities. Our sincere thanks to the Nainital Forest Department for having organized this wonderful event and having invited us. A thoroughly mesmerizing experience!!!

Because what food is to the body, reading is to the soul. Templeton Academy International, Naukuchiatal was the venue for the book fair from 28th April – 29th April 2018, organized by Scholastic India. This book fair was organized to inculcate reading habits among the children thus creating life-long readers. Excited and enthusiastic

educators and scholars flocked the venue to browse books of their interest. Books available catered to the taste of every age group.

**“HAPPY READING
CONTINUES AT
TEMPLETON.”**

Doses of entertainment reboot your energy, soul and add sparkle to your life and so believe the Templetonians. Keeping this in mind the school authorities planned a movie show for the scholars and staff. The entire school, with the students and staff enjoyed an outing to Nainital on 5th May 2018 and excitement hit the highest as the entry was made into the Capital Cinema for a matinee show to enjoy the screening of 'Avengers-

Infinity war'. The staff and students were enthralled and thoroughly enjoyed the show. They pampered themselves with mouth-watering snacks and their favourite soft drinks during the show.

The outing was indeed a blessing in disguise as the day was a complete dose of entertainment and unlimited fun. Grateful souls thank the school authorities for having brightened up their day and of course having made them feel so special. Eyes all set waiting for yet another fun filled day to happen soon.

National Bird Festival

28th April, 2018

Scholastic

Book Fair-2018

28th – 29th April, 2018

--the book fair!

Treat for the eyes-----

the book stalls!”

“AVENGERS” ENTERTAINMENT RELOADED!!

5th May, 2018

Templeton Premiere League

7th – 20th May, 2018

Cricket Fever at T.A.I

the girls' team willingly participated. The teams were i) Administrative Staff ii) Teaching Staff iii) 10th Generation iv) Super Giants v) Red Devils vi) Girls Team .

The first match of the league was played between Red Devils and Teaching Staff and was won by the teachers. Days passed and finally two teams reached the finals, they were the 10th Generation and the Teaching Staff. The final match was very interesting and was played wonderfully by the Teaching Staff who were the proud winners of the TPL Trophy. Congratulations teachers! You are always the best!

Visit to Parle-G Factory

12th MAY, 2018

from 1929 till today. Then the Parle-G staff familiarized the students about the entire process of making biscuits. This visit motivated the students to develop a holistic personality.

On 12th May 2018 Grade X students visited the Parle-G factory at Rudrapur, as a part of their educational assessment. The students were escorted by Mrs. Bhagya Lakshmi and Mr. Jayveer Khatri. In the beginning the students visualized a video explaining the growth of Parle-G company

MOTHER'S DAY

12th MAY, 2018

It is true, the other name of God is mother. It is not possible that God will go everywhere, so he made mother. In TEMPLETON ACADEMY the students of class VI and VII presented the morning assembly on the topic Mother's Day. The following students participated:

Prayer: Miss Anshika Jain, Conduction: Master Krish Keserwani, Thought:

Miss Tanya Wadhvan, Amazing Fact: Master Anmay Kumar, New Word: Master Viraj Singh, Speech: Master Garvit Legha, Poem recitation: Miss Himadri Karnatak, News: Chitransh, Rahib, Rajat, Teacher's talk: Mrs. Shashi Sanwal.

A mother has several names. She is actually god in disguise. For a mother, life revolves around her kids and family. There is no bond so strong in the entire world as that of a mother & child. Mothers are superhumans who can do just anything. They are super women with super powers to heal, support, love, care, and invoke positivity.

Hats off to all the mothers!

ARIES, stands for Aryabhata Research Institute of Observational Sciences and is a prominent astronomical institute of India. The senior school science students of Templeton Academy International, Naukuchiatl visited ARIES at Nainital on 25th May 2018 as a part of their expeditionary learning exercise. The purpose of this visit was to motivate, encourage and enhance the knowledge of our students towards science.

The students were happily surprised to see the Cassegrain type reflective telescope about which Dr. R. K. Yadav explained thoroughly and satisfied the curiosity of our students. Then after the scholars entered the dark room of the planetarium that had a semi-circular roof depicting space. Here Dr. *Bharat Bhushan* Sr. Scientific Associate, Public Outreach shared a 3D video related to our solar system. Dr. Bhushan also explained about the cosmic collision and its cause and the scholars got to witness the secrets of space. They saw live the movement of the planets around the sun, forming of new planets and the orbit pattern, movement of stars and the origin of earth. Students learnt and benefited a lot during this visit which explores our universe. Scientific temper invoked for sure!

On 28th of May 2018 Grade XII Commerce students had an educational trip to Mahindra & Mahindra Company at Kichha Bypass, Rudrapur. They were escorted by Mr. Arun Kumar and Mrs. Bhagya Lakshmi. The students were actively involved in gathering wide information about the company, its products, customer satisfaction and impact of various competitive firms on the company. What a great learning experience!

We at Templeton believe in growing and growing as a family is the best experience ever.

We marked a new beginning and welcomed the new faces to our Templeton family. It was indeed the most awaited programme that was held on 29th May 2018 in the school auditorium, within the school premises. The event provided a wonderful platform as well as an amazing

opportunity for the new faces to exhibit their talent and win applause. The new faces presented a variety of dance programmes, songs and other entertaining acts with such great enthusiasm that the audience never wanted the show to stop. The fresher's party spread so much of happiness, cheerfulness, excitement and positivity that certainly helped the new faces to get familiar and comfortable in the

new school environment and gain confidence.

Investiture Ceremony

at TAI

30th MAY, 2018

“A leader knows the way, goes
the way
&
shows the way.”

The investiture ceremony signifies the confidence that the school consigns in the newly elected school cabinet. The elected leaders were administered the oath of office and were conferred with badges and sashes. The student council formed, was headed by Master Om Verma, the Head Boy and Miss Aastha Gupta, the Head

Girl. Master Yash Kaushik was bestowed with the badge of Cultural Secretary, Master Divyanshu Bisht pledged for his responsibilities as the Sports Captain. The other members of the student council included Miss Anushtika Rana as the editor and the various House Captains and House Vice Captains sworn in were:

- Gandhi House: Ms. Srishti Soni
- Gandhi House Vice-captain: Master Akash Gupta
- R. K. House Captain: Master Sameer Johari
- R. K. House Vice-captain: Ms. Vanshika Thakur
- Subhash House Captain: Ms. Kajol Mehrotra
- Subhash House Vice-Captain: Master Almas Lari
- Tagore House Captain: Master Sarthak Chauhan
- Tagore House Vice-captain: Master Arvind Kataria

The investiture Ceremony was celebrated with a lot of zeal and zest. The principal, Mr. Mark Joshua, congratulated the office bearers and motivated them to be impartial, honest and responsible in discharging their duties with utmost sincerity and to the best of their ability. He advised them to be role models and extended a supporting hand for the smooth functioning of the institution.

The Investiture Ceremony concluded with a special photography session to help relive these memorable moments in future!

Aquatics

31st MAY, 2018

“Swimmers do more kicks than a
soccer player, more flips than a
cheerleader,
more sets than a volleyball player
and more yards than a football
player.....”

Meet was held on the 31st May 2018. The swimmers were filled with enthusiasm and their passion for swimming was worth seeing. This meet is very popular among the students and they turned up in large numbers to cheer their Houses. The House Masters were present there to help and encourage the students including our Sports Coaches, Mr. Jaiveer Khatri, Mr. Harish Joshi and Mr. Sanjay Kumar who all were there to guide and motivate the swimmers.

This year, the girls swimming competition was introduced for the first time in our school for which we extend a special thanks to our COO (Mr. Mahesh Chandra Pandey), our Principal (Mr. Mark Joshua) and our Swimming coach (Mr. Vineet Solomon).

The swimmers who secured first positions in their categories were awarded as Best Swimmers. Our relay team (Master. Sameer Johri, Master Surya, Master Yash Kaushik and Master. Pratham Sidharna) came first in the neck-to-neck competition with the other competing teams.

All the participants lived up to their expectations despite tough competition. Overall it was the RK House swimmers that outshone others.

A special mention of Master Sameer Johri of RK House and Ms. Astha Gupta of Subhash House for their outstanding performance for their respective Houses.

“Leadership is the capacity to translate
vision into reality”.

The investiture Ceremony of T.A.I. Naukuchiatal, for the academic year 2018-2019 was held on the 30th of May 2018, the venue being the school auditorium. The special ceremony was presided over by Mr. Mahesh Pandey, COO Templeton Group and Mr. Mark Joshua, Principal, T.A.I. Naukuchiatal.

Swimming is just as competitive as any other sport. This sport is not just a competition against people; it's against you too. Sure you race against other people but you are also trying to beat your own time. That gives the swimmers who beat their own time, the confidence that they can do it again and rise right to the top.

This year's Annual Inter House Aquatic

The two day Annual Art and Craft Exhibition at T.A.I. Naukuchiatal witnessed some great innovative work as the honorable Chief Guest Dr. Yashodhar Mathpal (Padma Shri), the famous Indian archaeologist, painter, curator and an art conservationist, inaugurated the exhibition on June 1, 2018.

The other dignitaries who graced the occasion were our Chairman Mr. Neeraj Agrawal,

Secretary Mrs. Sonal Agrawal, Mr. Mahesh Pandey COO Templeton Group, Mr. Mark Joshua, Principal TAI Naukuchiatal and the respected parents of the scholars.

About sixteen scholars from the middle and senior school, along with the tiny tots participated in the exhibition that displayed their skills on not only the canvas but paper mache, portraits in oil pastel, pot painting, decorative lamps, baskets, paper quelling, show pieces, photo frames, artifacts and bird houses made out of waste caught the attention of the visitors, who were thoroughly mesmerized.

Under the leadership of Mr. Probir Ghosh (HOD Art & Crafts) the following students' involvement of artistic minds produced great innovative work: Master Ayush Kumar, Master Rishi Yadav, Master Kushal Jaiswal, Master Shivam Bhat, Master Om Verma, Master Abhay Agrahari, Master Rudransh Chauhan, Master Yash Kaushik, Master Arvind Kataria, Master Manvee, Miss Shalini Das, Ms. Aditi Shree, Ms. Zoya Khan, Ms. Anshika Jain, Ms. Tisya Singh, Ms. Shivani Palariya and Ms. Tanya Wadhwani. Creativity was poured out as the audience witnessed a spectacular spectrum, exhibiting high level of creativity and imagination. The chief guest addressed the students and briefly discussed the history of art along with the importance of

colors in life. He stressed on developing humanity to spread peace around the world. The principal Mr. Mark Joshua honored the chief guest by presenting a memento and appreciated the hard work of the students. The exhibition come sale was a feast for the eyes of all those who attended and the event proved "creativity invokes happiness" as happy faces were seen all over the campus.

Templeton Volleyball had some great moments to witness as the teams participated in the Inter House Volleyball matches played from the 1st-7th of July, 2018. This Volleyball tournament had some breath taking moments as the four Houses had a neck to neck struggle.

The lucky R.K. House & Tagore House managed to reach the finals & the stage was all set on the 7th of July to see some great game.

R.K. House was the proud winner with a score 25-23, 23-25, 15-13. Master Divyanshu Bisht of Grade- XII Comm was adjudged the best player.

"Templeton- Where Sports are a way of life".

Students of T.A. International, enthusiastically participated in the afforestation drive held in the campus on the 17th of July, 2018. It was a pleasing sight to see students along with teachers willing to plant saplings and contribute positively to our environment. The young scholars realized the importance of maintaining biodiversity and ecological balances.

TREE PLANTATION

16th July, 2018

**“Templeton contributes to
afforestation”.**

This plantation drive has certainly motivated each member of Templeton to plant at least one tree every year and contribute to afforestation. What a wonderful way to celebrate the “Harela Festival” of Kumaon which was celebrated on the 16th of July, 2018.

Inter House Basketball Competition 17th July, 2018

Basketball is a game that exhibits true strength & flexibility. The basketball teams of Templeton were all get set & ready to go as the Inter house Basketball Tournament was scheduled in the month of July, with the League Tournaments commencing on July 12, 2018. Teams clashed & the two teams to make their way to the finals were the R. K. House team & Subhash House team. Great play was a treat to the eyes and the perfect baskets scored by R.K. House proved & established them as the winners.

Congratulations R.K. House .Well played indeed!

IT Club

IT Club helps students share & explore their passion for technology. Students learn the programming concepts through a platform called- CPP, JAVA, Android Studio, Website Layout Development using Dreamweaver, XML & CSS, 3D Modeling using Google - Sketchup & Assembling Computer System. Students

are engaged in learning the best & the most productive use of computers. It is here that the future IT experts are born.

Robotics Club

This club is a platform for young minds, where students create, invent & explore new technologies. Students try their hands at developing projects that incorporate brain- based research findings.

Art & Craft Club

This club is a fun way for students for creating works of art. The pupils' imaginative minds design, construct and create decorate items. With such a creative & imaginative environment pupils bloom into great artists.

Theatre / Dance

This Club is the home to all theatre & dance lovers. Dancers & actors are helped to polish their inherent talents and thus are motivated to bloom into great performers.

Co-Curricular Activities

**Creativity is the way to share
your soul with the world**

Cooking Club

This club prepares students to prepare healthy and tasty snacks and tackle food challenges. The weekly meetings on Saturdays provide a platform to the members of the club to prepare delicious mouth- watering meals & desserts.

Personality Development

This fantastic club, through its weekly meetings helps ignite young minds to develop various aspects of their personality. Grooming, oratory skills as well as meditation are an integral part of each session.

Photography

This club teaches students to click photographs worth a thousand words. Students learn to handle cameras & thus display their potential through creativity. The supportive role of mentors helps students share their passion for photography.

SUPW Club

The club that caters to creative minds and helps invoke general awareness of cleanliness through cleanliness drives is the SUPW club. Members contribute towards socially useful productive work and develop leadership qualities, togetherness, creativity & a positive attitude.

Music Club

Music has no language but is considered as one of the best languages that flows freely to touch ones heart. That is exactly what the music club came into existence for; the future musicians and the present music lovers are taught basic lessons on music notes, effective singing and playing instruments like, the Guitar, Piano, and Drum etc.

The school choir group is also well trained to become experts in singing songs for various occasions and functions in the campus. Young talents in music receive chiseling and polishing, turning them to musical heroes.

Welcome new staff
